The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL OF AN OPERATING AGREEMENT BETWEEN
THE LOS ANGELES COUNTY ARBORETUM FOUNDATION, INC. AND THE COUNTY OF LOS
ANGELES FOR THE
LOS ANGELES COUNTY ARBORETUM AND BOTANIC GARDEN
(SUPERVISORIAL DISTRICT 5) (3 VOTES)**

SUBJECT

Approval of a 20 year Agreement, with five one-year extension options, for a maximum of 25 years, between the Los Angeles County Arboretum Foundation, Inc. and the County of Los Angeles for the operation and maintenance of the Los Angeles County Arboretum and Botanic Garden.

IT IS RECOMMENDED THAT THE BOARD:

1. Find the proposed Operating Agreement categorically exempt from the California Environmental Quality Act in accordance with Section 15301 and Class 1 of the Environmental Document Reporting Procedures and Guidelines, adopted by your Board on November 17, 1987, because the project consists of operation and licensing of an existing facility.
2. Authorize the Director of Parks and Recreation to execute a 20 year Operating Agreement between the Los Angeles County Arboretum Foundation and the County of Los Angeles for the operation and maintenance of the Los Angeles County Arboretum and Botanic Garden, effective July 1, 2013.
3. Authorize the Director of Parks and Recreation to exercise the five one-year contract renewal options, annually, if in the opinion of the Director of Parks and Recreation the Los Angeles County Arboretum Foundation has performed successfully during the initial agreement term.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommended actions will approve an Operating Agreement between the Los Angeles County Arboretum Foundation (Foundation) and the County of Los Angeles (County) for the operation and maintenance of the Los Angeles County Arboretum and Botanic Garden (Arboretum) by the Foundation.

On January 7, 1998, the Board of Supervisors (Board) approved a 20 year Operating Agreement with the Foundation. Since that time, the County and Foundation have co-funded and co-governed the Arboretum. The County and Foundation desire to assure the continued operation of the Arboretum as a botanic garden and historical site through an Operating Agreement for the maintenance and operation of the Arboretum by the Foundation.

Implementation of Strategic Plan Goals

The recommended Operating Agreement will further the County's Strategic Plan Goals of Operational Effectiveness (Goal 1), by creating partnerships with external agencies to efficiently improve the delivery and quality of services.

FISCAL IMPACT/FINANCING

The County shall pay the Foundation an annual management fee in the amount of \$250,000. Said management fee shall be collected by the Foundation from the revenues generated through admission and tram fees at the Arboretum. In addition, any revenues in excess of the \$250,000 management fee, but less than \$700,000 will be transferred to the County. Revenues in excess of \$700,000 will be divided between the Foundation and the County, on a 50/50 basis.

OPERATING BUDGET IMPACT

The Department does not anticipate additional operating costs or revenue. The Operating Agreement was designed specifically to have a no net County cost impact and also includes a "revenue-sharing" feature to possibly experience an increase in revenue. However, the amount of this revenue cannot be reasonably estimated at this time due to several factors: 1) this revenue is new to the County; 2) lack of historical data; and 3) revenue to the County is based on a collections threshold and surpassing that threshold. Should the revenue become material or significant, the Department will address this in the appropriate year's Operating Budget request.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Board is authorized by the provision of Government Code Section 25907 to enter into leases for concessions and services that are consistent with public park and recreation purposes.

The initial term of the Operating Agreement with the Foundation is for twenty years and includes a provision whereby the Director may extend the Operating Agreement for up to five one-year option periods for a maximum contract term of 25 years. Under this Agreement, the Foundation will take over functions such as: cashiering; receiving; handling and accounting for admission and tram fees; operating tram service; greeting and orienting visitors; answering telephones; responding to visitor and phone inquiries for the Arboretum. The Foundation will be responsible for hiring staff to perform such duties and for all salaries, benefits, and insurance requirements.

The Operating Agreement contains terms and conditions supporting your Board's ordinances,

policies, and programs, including but not limited to: Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Responsibility and Debarment, Los Angeles County Code, Chapter 2.200; the Defaulted Property Tax Reduction Program, Los Angeles County Code 2.206; compliance with the County's smoking ban ordinance, Los Angeles County Code Title 17, Sections 17.04.185 through 17.04.650; compliance with the County's policy on restricting its purchase and use of Expanded Polystyrene containers; participation in the County's Artificial Trans Fat Reduction Program; and the standard Board-directed clauses that provide for contract termination or renegotiation.

However, in order to ensure the continued viability of the Arboretum, the Department of Parks and Recreation recommends the following deviation from the County's standard terms and conditions:

- Indemnification: The County has indemnified the Foundation for the past 15 years without incurring settlement cost arising from Foundation activities. Elimination of such indemnification would cause prohibitively expensive insurance costs and inhibit further growth for the Foundation. Therefore, it is recommended that the County continue to indemnify the Foundation, as to continue the productive partnership and growth of the Arboretum.

County Counsel has approved the Agreement as to form.

ENVIRONMENTAL DOCUMENTATION

The proposed Operating Agreement is categorically exempt from the California Environmental Quality Act (CEQA) in accordance with Section 15301 of the State CEQA Guidelines and Class 1 of the Environmental Document Reporting Procedures and Guidelines, adopted by your Board on November 17, 1987 because the project consists of the operation of an existing facility.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The approval of this new Operating Agreement will ensure ongoing financial and operational commitment from the County and the Foundation to benefit the Arboretum and its patrons.

CONCLUSION

It is requested that three adopted copies of the action taken by your Board be forwarded to the Department of Parks and Recreation. Should you have any questions, please contact Sandra Salazar at (626) 821-4660 or ssalazar@parks.lacounty.gov; Vanessa Paniagua at (213) 738-2986 or vpaniagua@parks.lacounty.gov; or Kaye Michelson at (213) 738-2955 or kmichelson@parks.lacounty.gov.

10.01 As consideration for Foundation's performance of responsibilities described under Section 8.0 of this Agreement, County shall ensure Foundation a minimum Management Fee (Management Fee) in the amount of \$250,000 each year, during the term of this Agreement. Said Management Fee shall be paid from funds received through admission and tram fees collected by the Foundation through this Agreement. At no time, however, will the \$250,000 Management Fee paid to Foundation be reduced due to fluctuations in annual admission revenue. Should these revenues at the end of any fiscal year fail to meet the \$250,000 minimum, County shall pay Foundation the difference through other County revenues.

10.02 Except as provided in Section 10.01, Foundation shall have no claim against County for payment of any money or reimbursement for any service provided by Foundation after the expiration of Agreement. Should Foundation receive any such payment to which it is not entitled, it shall immediately notify County and shall immediately return all such funds to County. Payment by County for services rendered after expiration/termination of this Agreement shall not constitute a waiver of County's right to recover such payment from Foundation.

10.03 To provide payment of its Management Fee, the Foundation shall beginning on July 1, 2013, and continuing thereafter on an annual basis, retain the first \$250,000 in admission and tram revenues. Within

30 days of the conclusion of each fiscal quarter, the Foundation shall provide an accounting of admissions and tram revenues received. The accounting shall include any payment due to County in excess of the \$250,000 Management Fee, but equal to or below \$700,000. Foundation shall issue a check to the County in an amount equal to all admission and tram revenues received in the previous fiscal year in excess of the \$250,000 Management Fee, but in the amount equal to or below the “Annual Revenue Sharing Baseline” of \$700,000.

10.04 All Admission and tram revenues that exceed an annual total of \$700,000, inclusive of the Annual Management Fee, shall be evenly divided between the County and the Foundation, with each party receiving a “Revenue Share” of 50%. Within 90 days of the conclusion of each fiscal year, the Foundation shall provide the County with its “Revenue Share,” defined as 50% of any revenues above a total of \$700,000. The Foundation will deposit its Revenue Share in an account set-up by the Foundation and named “Los Angeles County Arboretum and Botanic Garden Projects and Programs” (Arboretum Account) and used exclusively for enhancements to the Arboretum (projects, programs, staffing, etc.) in accordance with a spending plan approved by the Department’s Director. The Revenue Share owed to the County shall be paid by the Foundation no later than 30 days after the conclusion of the fiscal year. Total receipts for the year, and the amount of any Revenue Share, will be determined by Foundation and the Department’s Accounting Section. In Year Six of the Agreement, Foundation and the Director may meet to reassess division of revenues.

10.05 Within 30 days of the statement month, Foundation shall provide County with a monthly statement of revenue collections of all admissions and tram revenue collected through this agreement. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

20.38.2 In the event County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential", or "proprietary", Foundation agrees to defend and indemnify County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

20.39 PUBLICITY

20.39.1 The Foundation shall not disclose any details in connection with this Agreement to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the Foundation's need to identify its services and related clients to sustain itself, the County shall not inhibit the Foundation from publishing its role under this Agreement within the following conditions:

- The Foundation shall develop all publicity material in a professional manner; and
- During the term of this Agreement, the Foundation shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature

articles, or other materials using the name of the County without the prior written consent of the Department. The County shall not unreasonably withhold written consent.

20.39.2 The Foundation may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Agreement with the County of Los Angeles, provided that the requirements of this subparagraph 8.37 shall apply.

20.40 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT

20.41.1 Foundation shall maintain accurate and complete financial records of its activities and operations relating to this Agreement in accordance with generally accepted accounting principles. Foundation shall also maintain accurate and complete employment and other records relating to its performance of this Agreement. Foundation agrees that County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Agreement. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, appropriate documentation for voided transactions (including approval for the void), and proprietary data and information, shall be kept and maintained by Foundation and shall be made available to County during the term of this Agreement and for a period of five (5) years thereafter unless County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by Foundation at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at County's option, Foundation shall pay County for travel, per diem, and other costs incurred by County to examine, audit, excerpt, copy, or transcribe such material at such other location.

- 20.40.2 In the event that an audit of the Foundation is conducted specifically regarding this Agreement by any Federal or State auditor, or by any auditor or accountant employed by Foundation or otherwise, then Foundation shall file a copy of such audit report with County's Auditor-Controller within thirty (30) days of Foundation's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Agreement. Subject to applicable law, County shall make a reasonable effort to maintain the confidentiality of such audit report(s).
- 20.40.3 Failure on the part of Foundation to comply with any of the provisions of this Section 20.41 shall constitute a material breach of this Agreement upon which County may terminate or suspend this Agreement.
- 20.40.4 If, at any time during the term of this Agreement or within five (5) years after the expiration or termination of this Agreement, representatives of County conduct an audit of Foundation regarding the work performed under this Agreement, and if such audit finds that County's dollar liability for any such work is less than the payments made by County to Foundation, then the difference shall be either: a) repaid by Foundation to County by cash payment upon demand or b) at the sole option of County's Auditor-Controller, deducted from any amounts due to Foundation from County, whether under this Agreement or otherwise. If such audit finds that County's dollar liability for such work is more than the payments made by County to Foundation, then the difference shall be paid to Foundation by County by cash payment, provided that in no event shall County's maximum obligation for this Agreement exceed the funds appropriated by County for the purpose of this Agreement.
- 20.40.5 If County notifies Foundation that Foundation did/does not, to the reasonable satisfaction of County (1) adequately maintain the

documents required under Section 20.41 of the Agreement, and/or (2) did/does not have adequate internal controls, such that financial records could contain errors and/or omissions that would not be prevented and/or detected in the normal course of business, and/or (3) if County is not able to reasonably determine whether Foundation reported and paid the correct amount due to County under this Agreement, then County will assess penalties specified in this section upon Foundation.

20.40.6 The parties hereby agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of Foundation to meet the requirements of this section of the Agreement, and that a reasonable estimate of such damages shall range from (1) \$200 to \$500 and/or 10% to 20% of the total gross receipts for the period of time that County determines Foundation did not meet the requirements under this section of the Agreement, and/or (2) termination of this Agreement, determined at the sole discretion of County.

20.40.7 In the event County hires an Independent Certified Public Accounting firm (CPA) to perform an audit of Foundation's gross receipts and/or payments to County, and if the CPA concludes that, due to inadequate records maintained by Foundation, the CPA is unable to issue an unqualified opinion as to gross receipts for Foundation, the CPA may employ alternative methods to impute rent for the period of inadequate records and calculate rent due. The CPA (or County) may use Foundation's gross receipts last audited (in which an unqualified audit opinion was expressed), inflated by the Consumer Price Index for All Urban Consumers for the Los Angeles, Riverside, and Orange County areas. Interest/late fees may also be separately applied. In addition, County may require Foundation to pay for the cost of the CPA's audit.

20.40.8 In the event County and/or a CPA firm concludes that Foundation under-reported Gross Receipts to County, and that under-reporting is equal to or greater than 5 % of the current or previous year's Gross Receipts reported by Foundation, as determined at the sole discretion of County, Foundation shall pay for the cost of the CPA's audit and/or County's review (including County costs associated with the CPA's audit, such as monitoring the audit, etc.).

20.40.9 Foundation shall at all times during Agreement period and for five (5) years after the termination/expiration of the Agreement, keep, or cause to be kept, locally, to the reasonable satisfaction of County true, accurate, and complete records for all accounting years covered by this Agreement. Records will show all transactions relative to the conduct of operations, and be supported by data of original entry. Records shall detail transactions conducted on or from the premises separate and apart from those in connection with Foundation's other business operations, if any.

20.40.11 All sales and/or services shall be recorded by cash registers or computers which automatically issue a customer's receipt or certify the amount in a sales slip. Cash registers shall have locked in sales totals and transaction counters that constantly accumulate and cannot be reset, and issue a tape (or other equivalent security mechanism) that imprints sequential transaction numbers and sales details. Beginning and ending cash register readings shall be made a matter of daily record. Signs shall be visibly posted near all cash registers requesting the payer to ask the cashier for a receipt and, if possible, the sign should include a sample of the appropriate receipt.

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at County landfills, Foundation agrees to use recycled-content paper to the maximum extent possible in its activities under this Agreement.

20.44 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

Failure of Foundation to maintain compliance with the requirements set forth in sub-paragraph 20.14, Foundation's Warranty of Adherence to County's Child Support Compliance Program, shall constitute default under this Agreement. Without limiting the rights and remedies available to County under any other provision of this Agreement, failure of Foundation to cure such default within ninety (90) calendar days of written notice shall be grounds upon which County may terminate this Agreement pursuant to sub-paragraph 20.46, Termination for Default, and pursue debarment of Foundation, pursuant to County Code Chapter 2.202.

to Foundation from the Director specifying the effective date and extent of the suspension.

- a. Foundation shall immediately discontinue all services unless otherwise indicated by Director.
- b. In the event the entire Agreement is suspended and the period of suspension exceeds one (1) calendar year, this Agreement may be deemed terminated for convenience at the option of either party, upon written notice to the other party.

20.46 CANCELLATION

- 20.46.1 Upon the occurrence of any one or more of the events of default hereinafter described in Section 20.46, this Agreement shall be subject to cancellation. As a condition precedent thereto, the Director shall give Foundation ten (10) days notice by registered or certified mail of the date set for cancellation thereof; the grounds therefore; and that an opportunity to be heard thereon will be afforded on or before said date, if request is made therefor.
- 20.46.2 Upon cancellation, County shall have the right to take possession of the Arboretum, including all improvements, equipment, and inventory located thereon, and use same for the purpose of satisfying and/or mitigating all damages arising from a breach of this Agreement.
- 20.46.3 Action by County to effectuate a cancellation and forfeiture of possession shall be without prejudice to the exercise of any other rights provided herein or by law to remedy a breach of this Agreement.
- 20.46.4 In the event that, following service of the Notice of Cancellation of this Agreement under the provisions of this clause, County, in its sole discretion, determines for any reason that Foundation was not in default under the provisions of this clause, that the default was excusable

under provisions of this clause, or Foundation has, to the satisfaction of the Director, cured any default, the Director shall issue, within five (5) business days, a rescission of the Notice of Cancellation, and the rights and obligations of the parties shall be the same as if the Notice of Cancellation had not been issued.

20.48 TERMINATION FOR INSOLVENCY

20.48.1 County may terminate this Agreement forth with in the event of the occurrence of any of the following:

- c. The appointment of a Receiver or Trustee for Foundation; or
- d. The execution by Foundation of a general assignment for the benefit of creditors.

20.49 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

Foundation, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by Foundation, shall fully comply with County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of Foundation or any County Lobbyist or County Lobbying firm retained by Foundation to fully comply with

County's Lobbyist Ordinance shall constitute a material breach of this Agreement, upon which County may in its sole discretion, immediately terminate or suspend this Agreement.

20.50 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Agreement, County shall not be obligated for Foundation's performance hereunder or by any provision of this Agreement during any of County's future fiscal years unless and until County's Board of Supervisors appropriates funds for this Agreement in County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. County shall notify Foundation in writing of any such non-allocation of funds at the earliest possible date.

- 20.52.2 No delay, failure, or omission of County to re-enter Foundation Premises or to exercise any right, power, privilege or option, arising from any default, nor any subsequent acceptance of payments then or thereafter accrued shall impair any such right, power, privilege or option, or be construed as a waiver of or acquiescence in such default or as a relinquishment of any right.

County agrees not to reproduce, distribute or disclose to non-County entities any such proprietary and/or confidential items without the prior written consent of Foundation.

20.55.4 Notwithstanding any other provision of this Agreement, County will not be obligated to Foundation in any way under sub-paragraph 20.55.4 for any of Foundation's proprietary and/or confidential items which are not plainly and prominently marked with restrictive legends as required by sub-paragraph 20.55.3 or for any disclosure which County is required to make under any state or federal law or order of court.

20.55.5 All the rights and obligations of this sub-paragraph 20.55 shall survive the expiration or termination of this Agreement.

20.62 COMPLIANCE WITH COUNTY'S SMOKING BAN ORDINANCE

This Agreement is subject to the provisions of County's ordinance entitled Los Angeles County Code Title 17, Parks, Beaches, and Other Public Places, prohibiting smoking at County Parks ("Smoking Ban Ordinance") as codified in Sections 17.04.185 through 17.04.650 of the Los Angeles County Code.

Contractor shall provide the written certification attached hereto as Exhibit J stating that it has reviewed and is familiar with the requirements of the

ATFR Program and will promptly obtain approval as a participant from the County's Public Health Department. Further information can be found at www.lapublichealth.org.

B. Within 5 days of the County's execution of this Agreement, Contractor shall submit to the County's Public Health Department all required application materials for participation in the ATFR Program, and shall thereafter diligently pursue approval as an ATFR participant. Prior to and/or in lieu of termination, the County may also, at its discretion, do any or all of the following;

All bidders or proposers, whether a contractor or subcontractor, must complete this form to either 1) request an exception from the Program requirements or 2) certify compliance. Upon review of the submitted form, the County department will determine, in its sole discretion, whether the bidder or proposer is excepted from the Program.

Company Name: Los Angeles County Arboretum Foundation		
Company Address: 301 N. Baldwin

Part I: Jury Service Is Not Applicable To My Business

- ☐ My business does not meet the definition of "contractor", as defined in the Program as it has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract/purchase order itself will exceed \$50,000). - ☐ My business is a small business as defined in the Program. It 1) has ten or fewer employees; and 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are \$500,000 or less; and 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. "Dominant in its field of operation" means having more than ten employees, including full-time and part-time employees, and annual gross revenues in the preceding twelve months, which if added to the annual amount of the contract awarded, exceed \$500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

- ☐ My business is subject to a Collective Bargaining Agreement (attach agreement) that expressly provides that it supersedes all provisions of the Program.

OR

Part II – Certification of Compliance

IRS Notice 1015

Department of the Treasury
Internal Revenue Service

Notice 1015

(Rev. December 2012)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2012 are less than \$50,270 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must

notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2013.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from IRS.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2012 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2012 and owes no tax but is eligible for a credit of \$800, he or she must file a 2012 tax return to get the \$800 refund.

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

In Los Angeles County: 1 877 BABY SAFE 1 877 222 9723

www.babysafela.org

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

Sin pena. Sin culpa. Sin nombres.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.
